

# Evening General/ER Radiologist 4p-1a

## ABOUT POSITION

Radia is hiring an Evening general/emergency radiologist to work in one of our imaging centers. Candidates need to be comfortable reading a broad range of plain radiographic studies to include trauma, trauma CT, Body CT, and US including first trimester OB and Vascular. On-site responsibilities include supervision of technologists at the imaging center, including CT and MR contrast exams.

Schedule is a 4pm – 1am shift, 26 7-day weeks/year, as mutually agreed to with the radiologist working the other 26 weeks.

Radia offers a competitive compensation package including up to a \$25K signing bonus.

If interested, please submit your CV to [jobs@Radiax.com](mailto:jobs@Radiax.com)

## ABOUT RADIA

One of the most important decisions any physician makes is the practice they join.

Radia PS is a 100% physician owned and managed practice, dedicated to the care of patients.

We are seeking physicians to join Radia in our partnership track.

Physicians will be reviewed by the Board of Directors for partnership recommendation to the shareholders 12- 24 months from joining, based on experience.

### Shift Compensation

- First year guaranteed salary is \$439,000.
- First year salary with maximum incentive pay is \$520,000.
- Shareholder compensation for this for this position is \$574,000.
- Additional income can be generated by picking up additional shifts.
- Profit sharing, malpractice, health insurance, and generous CME are offered.

A major difference between Radia and many practices, we have consciously chosen to keep partner buy-in low compared with other practices, we want to retain good physicians.

In addition to proprietary workflow software and related technology, we have implemented machine learning in our environment.

Radia is one of the very few practices in the country with the scale, technology and ownership structure to implement machine learning in a way that benefits patients and radiologists, not investors.
