Patient Preparation

If you have any questions about patient preparation, please call us at 206.292.7734.

Contraindications include cardiac pacemakers, aneurysm clips, cochlear implants, pregnancy and/or metal in the eyes. Please call us if you have a neuro or bladder stimulator or glucose monitor for special instructions.

Exams with oral sedation will require a driver to accompany patients.

Abdomen/Liver/MRCP: Nothing to eat or drink for at least 4 hours prior to exam.

Defecography: Nothing to eat or drink for at least 4 hours prior to appointment. Fleet Enema 2 hours before appt.

Enterography: Nothing to eat or drink for 4 hours prior to your exam. Arrive 1 hour prior to exam.

Prostate: Nothing to eat or drink after midnight. Arrive one hour prior to exam.

Rectal: Fleet enema prep, nothing to eat or drink after midnight.

\square CT

Abdomen and/or Pelvis: Nothing to eat for at least 2 hours prior to your exam. Drink plenty of water.

Head, Neck and Chest: Nothing to eat for at least 2 hours prior to your exam. Drink plenty of water.

Spine and extremities: No preparation necessary.

☐ EPIDURAL, NERVE ROOT BLOCK OR FACET JOINT INJECTION

Please contact our office if you are allergic to iodine (x-ray/ CT dye). Bring any pertinent x-rays or scans with you for comparison and to avoid x-rays being re-taken.

All prescribed medications (except for blood thinners) should be taken as usual. A nurse will be contacting you to discuss pre-procedure instructions and restrictions. You must have a driver with you as there is a chance that you could experience temporary numbness and/or weakness in one or both legs. You must speak to our nurse before having the exam to review other contraindicated medications. Please call 206.292.6233.

□ ARTHROGRAM

Please bring any pertinent x-rays or scans with you for comparison and to avoid x-rays being re-taken. Please contact our office if you are allergic to iodine (x-ray/ CT dye). It is not necessary to hold any medicine, including blood-thinners.

☐ MYELOGRAM/LUMBAR PUNCTURE

Please contact our office if you are allergic to iodine (x-ray/ CT dye).

Please bring any pertinent x-rays or scans with you for comparison and to avoid x-rays being re-taken.

Please be sure to have a driver with you.

After the procedure, please plan to remain in a flat or reclined position at home until the next morning.

No solid food after midnight the night before your exam. (For Myelograms - Do not consume anything containing caffeine 24 hours prior to the exam.) You must speak to our nurse before having the exam to review other contraindicated medications. Please call 206.292.6233.

□ ULTRASOUND

Pelvic or OB<14 weeks: drink 32 oz of water 1 hour before test.

Renal: Drink 32 oz of water 1 hour before test.

Abdomen, gallbladder, aorta and organs: Nothing to eat or drink for 8 hours before test.

Abdomen/Pelvis complete with transvaginal: Nothing to eat for 8 hours. Drink just water 32 oz 1 hour before exam.
