The Radia Vein Center at Mill Creek offers state-of-the-art, high quality cosmetic and therapeutic vein treatments in a comfortable, convenient and elegant setting. Part of the Radia Vascular Center for Disease, a nationally recognized group of board-certified vascular surgeons and interventional radiologists, performs both Sclerotherapy and Endovenous Laser Ablation with the support of our highly trained technical staff.

From I-5 heading NORTH or SOUTH, take Exit #183 (164th Street/Mill Creek). At the end of the exit ramp, turn east onto 164th Street. Stay on 164th Street to the bottom of the hill and turn left at the traffic signal at Mill Creek Boulevard. Continue on Mill Creek Boulevard until you pass the post office on your right and Mill Creek Clinic on your left. Veer left and continue straight on Main Street. The Radia Vein Center is in the building on your left, at the corner of 153rd and Main, on the third floor above La Palmera Restaurant. Parking is available on the street or in the structure behind the building.
